Have a couple for the road

THEY'RE flicking the lights on and off and putting the stools on the tables. Time's been called.

We're about to get the arse out of here and we were only just settling in.

But 31 years isn't a bad haul, when you consider we could've have been drowned at birth, and the many low-down and dirty attempts at assassination that followed.

It appears that here and there, now and then, from time to time, we may have annoyed a few people, but you get that in life.

A few people annoyed us, too, but did we go on about it? Well, yeah, a bit. No point having a yoooj-selling national magazine if you can't use it to slag off some pricks you don't like.

But mostly we like to think we got along with everybody, and if we all met in the pub one night it would end with us sharing a few dozen beers and being asked to leave.

And on that note, we'll fuck off. Enjoy the last ever issue of THE PICTURE. ■ Picture

FAR

AS ONE Aussie legend ends, another goes from strength to strength.

While THE PICTURE will soon be no more, Angela White, Australia's premier porn star and ambassadress of all things UNGA-UNGA, continues to achieve world dominance by having heaps of HOT SEX on camera.

Nice work if you can get it. As we're kicked into the street to clean windscreens it's good to know at least someone we know is doing alright.

Ange, you've had a massive last couple of years, what are you up to now?

"I've been shooting up a storm here in Los Angeles. I just starred in a huge showcase movie Angela White: Dark Side. It includes my biggest gangbang – 11 guys – and

A FAREWELL TO Angela

One last chat with our old mate, porn goddess Angela White

biggest blowbang ever – 13 guys! I explore my 'dark side' in this movie – and I'm not referring to my arsehole! Although it just so happens that almost every scene in the movie is anal. I unleash my fierce sexual appetite and tap into the nasty, filthy parts of my sexuality."

Crikey, Ange! Behave! Will there ever come a time when you say to yourself, 'I'm tired of all this mind-blowing sex and the endless orgasms,' and take up knitting instead?

"I highly doubt it. I love what I do far too much. The only way I'll take up knitting is if I can find a way to do it with cocks instead of needles."

If anyone can, you can, Ange. Any last memories of THE PICTURE?

"I'll miss the Aussie larrikinism. There was nothing quite like the articles in THE PICTURE. They were tongue-in-cheek, self-deprecating, blokey, uncouth, sometimes a little on the nose – and that was the point. Australia is losing its sense of humour."

What would you say to those who wanted THE PICTURE banned?

"In their mission to 'save women', the group who came after you have actually closed down opportunities for sex workers, and contributed to the stigma and discrimination they face. THE PICTURE was a source of revenue and promotion for women and a platform for sexual expression and freedom of speech. Conflating sex and sexual imagery with 'sexual harassment' is reductive and downright dangerous."

Couldn't have said it better ourselves. Will you remember us fondly when we're (sob!) gone?

"I'll miss you guys! I remember how titillating it was to get my very first PICTURE magazine, and only a few years later I was gracing the pages myself. THE PICTURE has been part of my sexual journey and I'm sad to see you go. So while it's bittersweet to be in the last issue, I'm really proud that I can help send you off."

Would you like to say anything to the readers?

"Thank you for all the love and support you have given me over the years. Many of you have been following me from the very beginning of my career and I'm so grateful for that." ■ Picture

NEWS FLASH

THIS SHIT REALLY HAPPENED!

THAT'S ALL SHE SCROTE

A HUMAN rights tribunal in Canada has chucked out a case in which a transgender woman with bloke's fucking gear sued beauticians who refused to WAX HER SCROTUM. Jessica Yaniv requested wax jobs from a number of salons in British Columbia, but says she was knocked back 'cos they said they only did SMOOS not NUTS, which she reckons is BASTARD DISCRIMINATION. But the tribunal said nuh, she was just trying it on for the dosh, and ordered Jess to pay legal costs to some of the salons. We've always loved JUSTICE here at THE PICTURE!

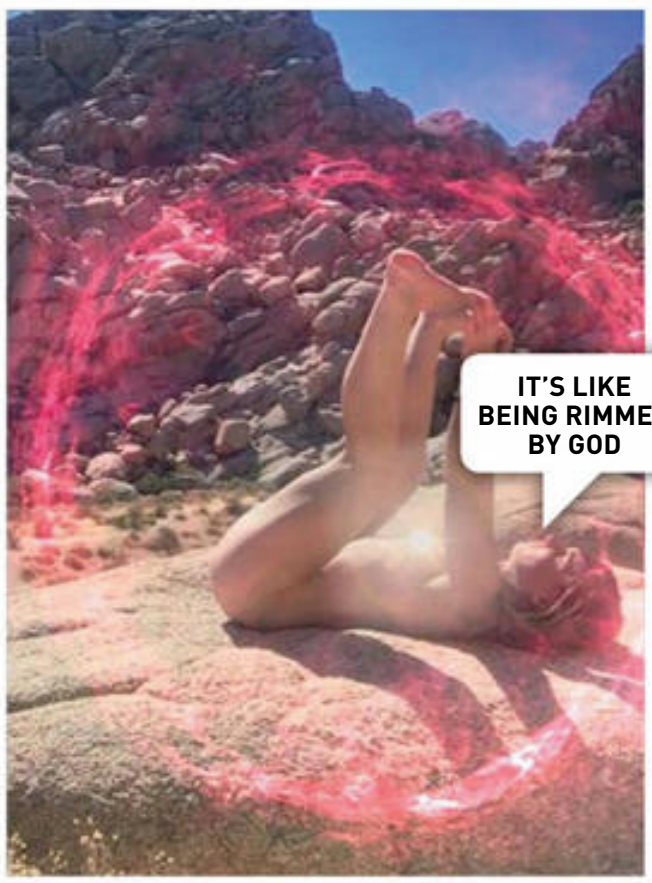

ONE FOR THE TOAD

CHRIS Newsome, a seppo from Alabama, has this fucken riveting hobby – making hats for a toad. Yeah, well, it's the last issue, so why not. Anyway, this one started showing up on his porch every night so Chris started making little hats and plunking them on its head. It didn't object, so we're happy to bring you this final story about the strong bond between TOAD and MAN. "The toad never seemed to mind the hats," Chris says. I just place them on its head and it would just sit there." Beaut! Now let's smoke the warty cunt's skin!

TAN THE TAINT

ALWAYS on the cutting edge of the latest fads and trends, THE PICTURE is happy to sign off with this beauty – perineum sunning. Basically you lean back with your legs in the air and get some sunshine on the ol' rusty bullethole, making you a better person. Some chick called Meagan (not that one), kicked it off on Instagram. She reckons she does it for five minutes every morning and she's never felt better. At least she doesn't have to worry about it going brown and wrinkly.

ROCK AROUND THE CROC

MONSTER Northern Territory saltie Rex has been awarded the honour of being the subject of the last ever croc story in THE PICTURE. The five-metre SWAMP LIZARD was captured and relocated by outback TV guy Matt Wright, at the request of a farmer whose cattle Rex had been eating like CHICKEN NUGGETS. It's a reminder of our commitment to TOP CROC JOURNALISM over the years.

Congrats, mate – you made it into THE PICTURE!

CARN THE TIGERS!

IN A last ditch effort to get into THE PICTURE before we close, farmers in India have been painting their DOGS to look like TIGERS, knowing that this is exactly the sort of HARD-HITTING story we couldn't resist. Other idiots might tell you the farmers in Karnataka did it to scare monkeys away from their crops, but nah, we know they were just trying for a moment of glory in their favourite mag. It just shows you how popular we've always been with the MAN ON THE LAND, even in India.

STOP FUCKEN PRESS

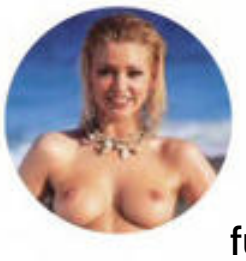

Nice horsey! Nice arsey!

HOT TO TROT

PROBABLY as a protest against the closing of THE PICTURE, Pommy vet student Georgie Grace stripped off and went for a NUDE HORSEY BACK RIDE the other day. The 19-year-old from Coventry, England, wasn't strictly speaking FULLY NUDE, but – she wore boots and a helmet. Then afterwards she had the GALL to claim it was to raise awareness about the importance of wearing a helmet when riding. "It's all for a good cause and if it gets people's attention, it all helps to raise awareness," she BOBBLED. But WE know the truth.

"I had a great time working for THE PICTURE and enjoyed the funny letters from the readers. I had a great time when the mag brought me over to Australia, such fun times. Thanks guys for all the great mammaries!"

Kellie Panther

"Getting published in THE PICTURE for the first time gave me more pride than when I graduated uni. You guys helped me become the woman I've always wanted to be. You will be truly missed."

Charlotte Star

"I've loved being in THE PICTURE. It was an actual dream of mine ever since I saw my first one at 15-years old. You guys made my dream come true and I'll be forever grateful!"

Delilah Daniels

"It was great to be part of something that celebrated women in all their naked glory – any size, sexuality and look. From porn stars to showgirls to home-grown talent to your missus. You guys had it all. I will always be honoured to have featured within your pages. Thanks THE PICTURE for introducing me to Australia."

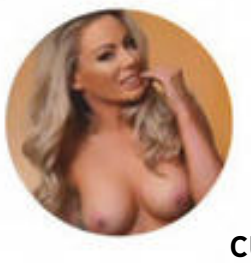

Daisy Watts

"All good things have to come to an end, I guess. A huge thank you to everyone who bought the mag. Long live boobs!"

Champagne Dancer

"Goodbye THE PICTURE! Thanks for bringing us decades of sexy Aussie women. On a personal note, my career would not have skyrocketed like it did without being a cover girl for this prestigious magazine."

Isabelle Deltore

"THE PICTURE was an Aussie icon. It's dark days for true blue Aussie culture when we lose it. Next they'll try and take away BBQs and beer. We'll miss our nudie mag!"

Ashton Avenue

"I'm so happy I was lucky enough to not only feature inside the mag, but also be a PICTURE mag cover model! I looked forward to going to the servo each week and seeing which hottie would be on the cover. Sucks you guys won't be around anymore! Don't forget to take a picture, it'll last longer!"

Heather McCartney

"Thanks for the support over the years, especially when I've been a bad girl and in trouble, and for printing my stories and crazy antics in the mag. Sorry to see you go. I had so much fun. It's been a wild ride."

Trinity

"To the magazine, you the readers, the staff, the photographers, the hundreds, if not thousands of amazing events, jobs, parties and photo-shoots I've done over the years, THE PICTURE was the backbone and my crowning glory amongst my many titles during my time in the adult entertainment industry.

To say this is the end of an era is an understatement. I will forever look back on my time with the magazine, especially the behind the scenes antics, with the happiest heart.

It's been a part of my life for 15 years and to grace its covers and its pages has truly been a blessing I would never in my wildest dreams have imagined, coming into the industry a young, wet between the legs baby stripper. It helped grow me into the powerhouse I am today, in and out of the industry.

THANK YOU, THE PICTURE for the many years of showcasing beautiful, talented women, causing millions of sticky pages, wet dreams and full-belly laughs at the out-there and proud Aussie content. I will take many copies of the mag to my grave and will be certain to show the grandkids! It's been a wild ride – forever 'Talking Dirty with Trinity'."

Kiki Vidis

"It truly is the end of an era. I can still remember the thrill and pride of my debut in your pages back in 2008. I remember reading my first mag – comparing Home Girls, getting wet over dirty stories and having a laugh at the jokes. You've done Australia proud, and brought countless joy to blokes and sheilas across this great nation, including myself."

IN THE BEGINNING...

The world of magazine publishing was a grim place before September 13, 1988. It was fine if you wanted 97 recipes for mince or the latest on what the Queen did on her fucken holidays, but there was nothing out there for the BLOKE ON THE STREET with a raging thirst and a RAGING HORN.

Then came THE PICTURE, and the world would never be the same again.

Our first issue arrived on September 13, 1988 with spunky pants-on pin-up Belinda Harrow, some piffling yarns about nothing much, and a contest where you could win $500 by picking which rock star would cark it next.

It was launched with a piss-up at a trendy Sydney nightclub, attended by such mega-celebs as TV voiceover guy John Blackman of *Hey Hey* fame, inflatable funnyman Jonathan Coleman and agent to the stars Harry M. Miller. Prime Minister Bob Hawke did not show up, probably because we DIDN'T FUCKEN INVITE HIM.

The FIRST Issue!

PROUDLY OFFENDING OZ

IT'S AN OUTRAGE!

We first got into deep shit on January 10, 1989, when we ran a cover featuring a nude girl with a gun to her head accompanied by the words, "Buy this magazine or we shoot this girl!" It got us BANNED, even though we wouldn't really have shot her.

Who are we kidding – OF COURSE WE WOULD'VE!

Next up, #44 got banned in Papua New Guinea for reasons we have never pretended to understand.

Radio big shot John Laws HATES OUR GUTS

Then we ran a sincere attempt to draw attention to deficiencies in aviation safety standards in the form of the "Jumbo Blotto" comp in #74, offering a lucky reader $20,000 for correctly predicting the time, place, airline and BODY COUNT of the next major air disaster.

Unfortunately, radio legend John Laws got his tonsils in a twist and called us a "vile little offering" that was "rewriting the definition of bad taste". That's when we knew we were on the RIGHT TRACK.

In August 1997 we featured a photo of Princess Di on a beach with a TOCKLEY-OUT bloke in the background. Unfortunately, it was due to go on sale three days AFTER SHE DIED, so we had to rip that page out of every copy of the mag before we got lynched by the Country Women's Association and readers of *New Idea*.

WORLD-BEATING YARNS!

Right from the start – well, ALMOST right from the start – PICTURE was renowned for its uncanny grasp of world news.

On April 1, 1988, we unveiled the world's first THREE-TITTED COVERGIRL. No longer would the world of glamour photography be constrained by the old-fashioned notion of one girl, two breasts.

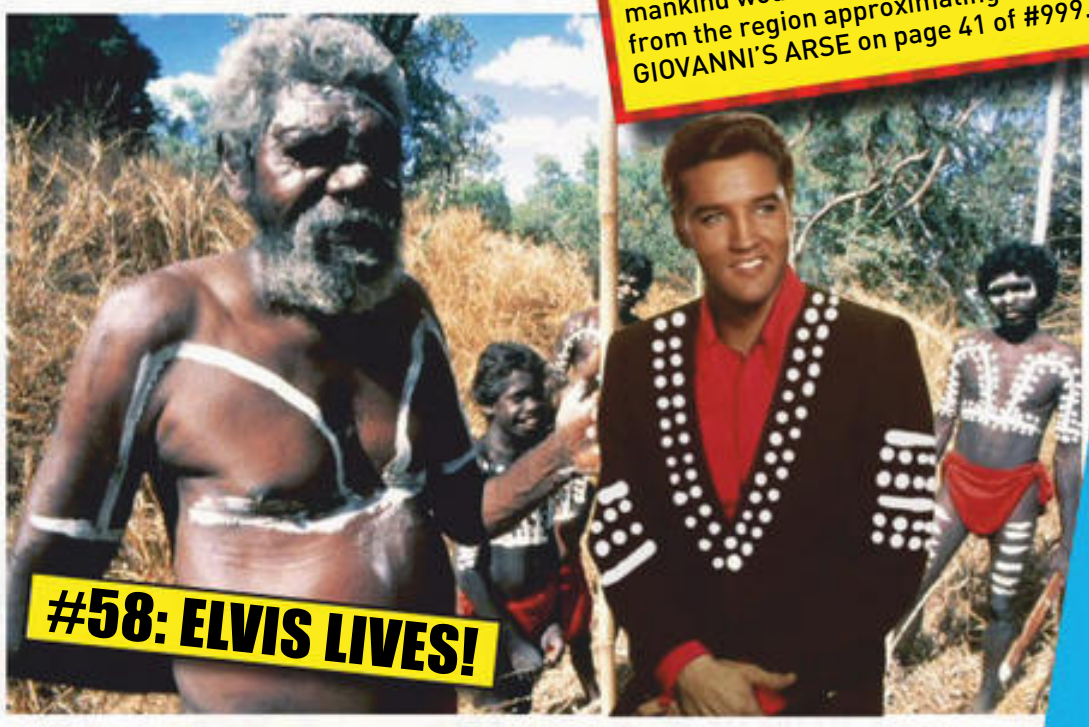

An avalanche of groundbreaking journalism followed: cannibals trading their kids' heads in for VCRs (#50), Elvis living in Arnhem Land as a blackfella (#58), the discovery of an ancient Greek civilisation in the Sydney suburb of Yagoona (#72), an interview with the world's oldest hooker (#102), Kooris landing on the moon (#114), "Hero Pig Snorts Drugs to Save Kiddies" (erm... we must've left that issue in the brasco) and man sticks 110 clothes pegs on his face (#624).

And we can't fail to mention the greatest headline PICTURE has ever run: "Glasgow Tabasco Brasco Fiasco!" way back in the early '90s.

PICTURE FACT! If the history of earth were represented by all of the issues of THE PICTURE, with #1 being the formation of the planet and #1000 being the present day, mankind would have emerged from the region approximating ARIA GIOVANNI'S ARSE on page 41 of #999.

FAMOUS PEOPLE LOVE US!

On behalf of the Premier, I acknowledge your letter requesting a letter of congratulations for THE PICTURE's 500th issue. Regrettably it will not be possible for Mr Kennett to provide you with a message on this occasion.

JEFF KENNETT

They make it hard, readers, when you LOVE THEM and they don't LOVE YOU BACK.

In response to your request for Jimmy to comment about your magazine THE PICTURE, he regrets he is unable to comment at this particular time.

JIMMY BARNES

That's OK — that means he'll be able to make a comment LATER, yeah?

Thank you for your invitations to Nicole Kidman and Mel Gibson to contribute letters of congratulation for your 500th issue. Unfortunately as both Nicole and Mel are based overseas and have hectic filming schedules they are unable to be involved.

NICOLE KIDMAN
MEL GIBSON

Geddablackdogupyarhen.

Rolf sends his apologies. He's in the UK working hard for the BBC and won't be in Australia this year. Sorry.

ROLF HARRIS

We don't give a root what HE'S doing. This is supposed to be about US!

WE SENT a grovelling letter to a heap of famous blokes and sheilas, begging them to write and WISH US WELL for our 500th birthday issue. Millions of them simply IGNORED US.

Where was your letter Greg Chappell, John Howard, Paul Keating, Tony Locket, Kieran Perkins? We were there when YOU needed US.

Anyway. There's no point GOING ON ABOUT IT, is there Eddie FARKIN' Charlton, Germaine CRAP Greer, Angry FRIGGIN' Anderson, Ian BLOODY Meldrum, Paul PARPING Hogan?

No word from you either, Maurie STINKIN' Fields? Oh — that's right. You're DEAD.

But to the few champions who took the time to wish us a happy birthday, remember: YOU'RE OUR FUCKIN' MATES FOREVER, mates!

Your magazine is the most BASE, pathetic, perverted common denominator trash I've ever seen. Keep up the good work.

RUSSELL CROWE

Whaddehiggingingblokie!

I luv the stories and pictures — they are very stimulating. I think Bambi is a great photographer. You also used our house to shoot Homie Of The Year, so I had an erection over that.

WARWICK CAPPER

Warwick, let us simply say that you're STILL a FRIGGIN' CHAMP in our book!

Well done, Jo!! Hope I'm still getting nude for your 1000th!

JO GUEST

Of course you will be...hang on, that's 10 years away. Of course you MIGHT be!

It was once said that I was so big my picture kept falling off the wall.

ARTIE BEETSON

Well, that makes it TWICE.

To the mob at PICTURE, Congratulations on cultural enrichment personified! (Excellent wank fodder as well!) Keep 'em comin'.

KEVIN BLOODY WILSON

Tops, Kev!

Being Chief Adviser to John Howard I'm always looking for fresh ideas to turn into catchy new policies for John. Without your magazine we'd be virtually at a loss for ideas. All of John's policies have, in one way or another, been lifted from THE PICTURE. Thank you and God bless.

GODFREY BIGOT

Chief Adviser to John Howard, foundation member Festival of Light, Pauline Hanson's boyfriend. Gulp.

I can't recall having ever seen your magazine, but any publication to print 500 issues has to have something going for it. So, congratulations!

BRYCE COURTENAY

Charmed, we're sure.

Congratulate you? Five hundred issues? How long is that? Ten years? Jesus. Just goes to show how far a bit of bullshit will go.

JEFF THOMSON

Congratulations for hangin' in there! Mind you, I'm a natural when it comes to liking wackiness. Better to laugh than cry, I say. Keep on hangin' in there!

COLLEEN McCULLOUGH

Ever the delight, isn't she?

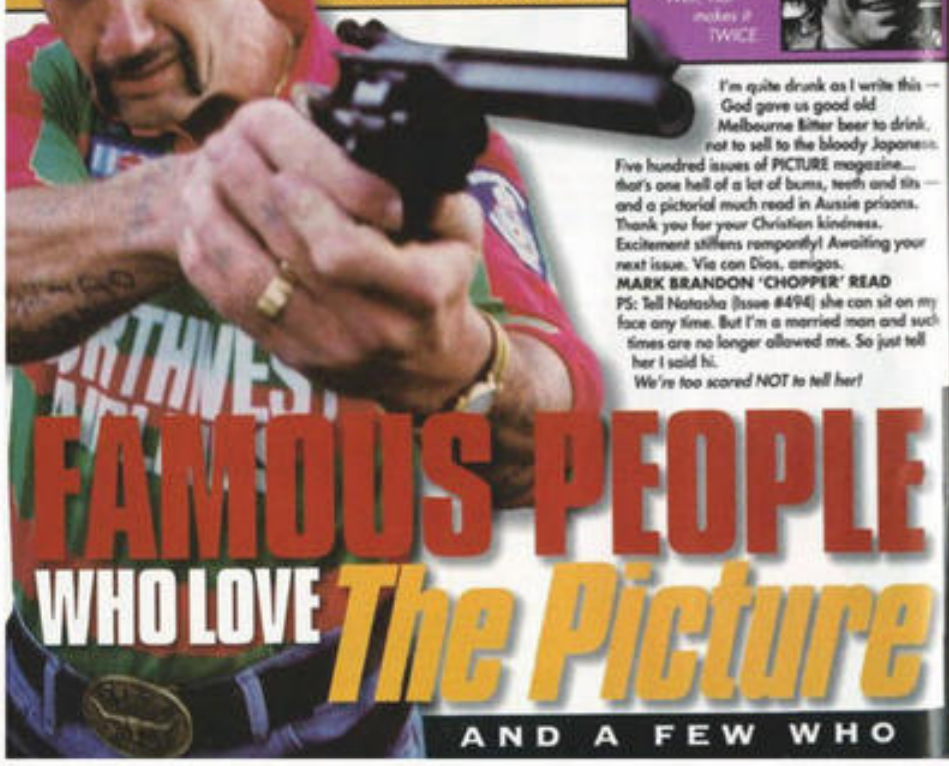

I'm quite drunk as I write this — God gave us good old Melbourne Bitter beer to drink, not to sell to the bloody Japanese. Five hundred issues of PICTURE magazine... that's one hell of a lot of bums, teeth and tits — and a pictorial much read in Aussie prisons. Thank you for your Christian kindness. Excitement stiffens rampantly! Awaiting your next issue. Via con Dios, amigos.

MARK BRANDON 'CHOPPER' READ

PS: Tell Natasha (Issue #494) she can sit on my face any time. But I'm a married man and such times are no longer allowed me. So just tell her I said hi.

We're too scared NOT to tell her!

I'll congratulate you if I can have my job back.

YARNA WENCH (sacked) TITS-OUT REPORTER

Well... NO!

Happy birthday, PICTURE! Can't say I've caught all 500 issues. In fact, I haven't seen one since my staff banned it from our office.

MIA FREEDMAN Editor Cosmopolitan

Mazaaze, just slip up to the Jokes' bracoes on the floor. There

PICTURE FACT! A PICTURE pin-up has a one-in-300 chance of dying a tragic death. Of over 900 covergirls, only THREE have carked: Savannah (#315) blew her brains out in 1994, Chloe Jones drank herself to death in 2005, and Anna Nicole Smith (#313) checked out earlier this year.

There have been many celebrities in our pages over the years – some of them even appearing WITH THEIR PERMISSION.

Aussie cricket legend Jeff Thomson became our gardening columnist in March 1995, and youse liked him so much you put him LAST in a readers' poll later that year.

Rugby league greats Alfie Langer and Wendell "Hello" Sailor appeared with some huge-norked Seppo strippers in #407. Russell Crowe gave us a HEARTFELT LETTER OF CONGRATULATIONS for #500, Anthony Mundine shared his non-rooting training regime with us in #507, and #714 featured Katrina, our nude *Big Brother* star.

We even helped a few stars on their way to... er, stardom, like model/actress/TV presenter Bree Maddox, who starred in #506. Then there's TV presenter Renee Brack who, as Renee BLATT, did a yarn on jelly wrestling in #152 before appearing opposite Eric Bana in *Chopper*.

Linsey Dawn McKenzie

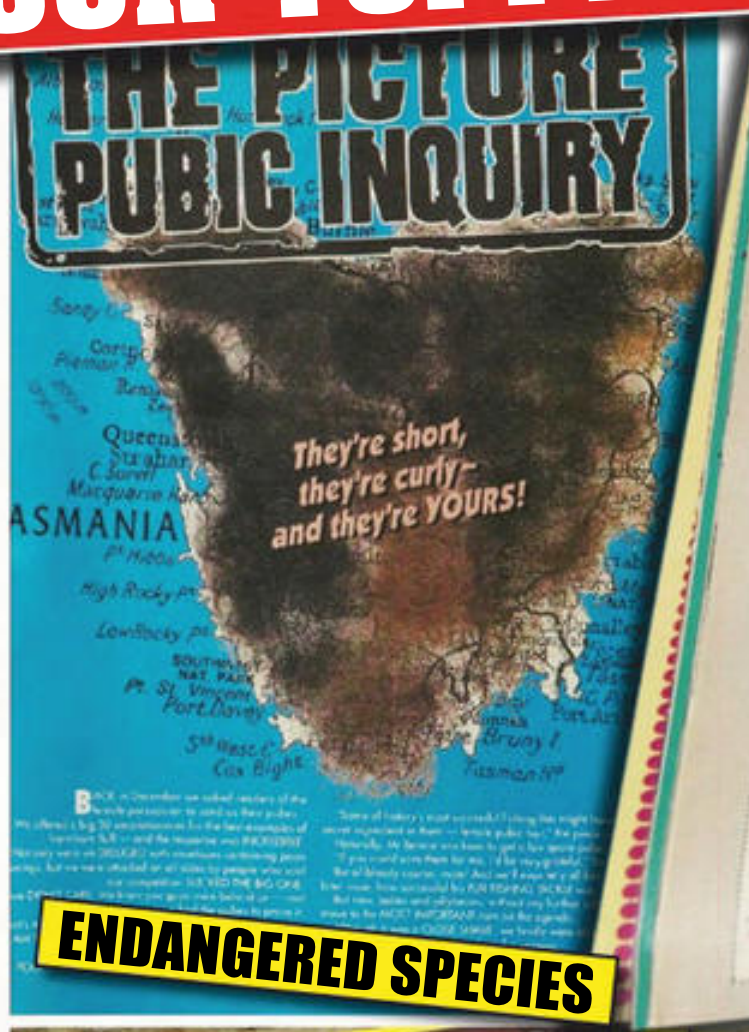

The Pommy hornbag with tits the size of weather balloons got discovered in #317. The countdown to the unveiling of her giant norks had the ENTIRE NATION AGOG. But we fucked it up by LYING and saying she was from Adelaide.

However, by the time she got her flange out in #333, nobody cared where she was fucken from. Later on, Linsey Dawn rolled around in the Oz flag birthday cake we sent her for her 18th, and even came on board as our official letter-answerer for a while.

However, we then ran a yarn about Lins and her sister working as HIGH-CLASS PROSTITUTES in London, and we haven't heard from her since. Coincidence? Must be, if you ask us.

PICTURE FACT! THE PICTURE has featured exactly 42,987 groanholes, 36,236 arse cracks and 744,071 NORKENSTARKENBURGERS (one girl had three, as you've already seen). There have also been PLENTY of cocks, but we were FUCKED if we were going to count them.

PICTURE FACT! In our first issue, THE PICTURE offered $500 and one year's subscription to the reader who could guess the next rock star death and how the poor bastard would die. Nobody collected on Roy Orbison's HEARTIE just a few weeks later on December 6, 1988.

When #100 rolled around, we were in a celebratory mood. That MIGHT explain why we ran a contest JUST FOR JUNKIES with a great first prize: a free HEROIN CURE at a monastery in Thailand!

No-one could say we weren't GIVING SOMETHING BACK TO THE COMMUNITY.

Then, in #171, we asked all the sheila readers to POST US THEIR PUBES – remember pubes, readers? – to win $50. A stunning pictorial of the flotilla of flange fur featured in #182. And yes, we shaped it like a map of Tassie.

But #360 featured the BEAUTEST COMP OF ALL: we gave one lucky reader a date with tits-out Pommy supermodel Jo Guest! It was an unforgettable night for the winner, mainly 'cos no matter how drunk he got, we could jog his memory with photos.

And who could forget our you-beaut $500 comp to find Australia's biggest man boobs in #991? You could, obviously, 'cos we didn't get ONE FUCKEN ENTRY!

Stuff we've outlasted

- Paul Keating's prime ministership
- The Adelaide Rams
- Sheffield Shield cricket (now it's the fucken Pura Cup)
- About four drummers for AC/DC
- Paul Hogan's movie career
- Super League
- Acid-wash jeans
- *Hey Dad!* (but only just)
- Fido Dido
- Grown women NOT shaving their pubes off
- Golden Fleece truck stops
- The Holden Camira
- The Ford Laser, AND
- Most of the ozone layer

PICTURE GOES GLOBAL

Ever since THE PICTURE started, we've been thinking about launching INTERNATIONAL EDITIONS tailored for specific countries around the world.
We even put a few test issues together, just to see how they'd go, but for some reason they never took off...

THE NUDE REPORTERS

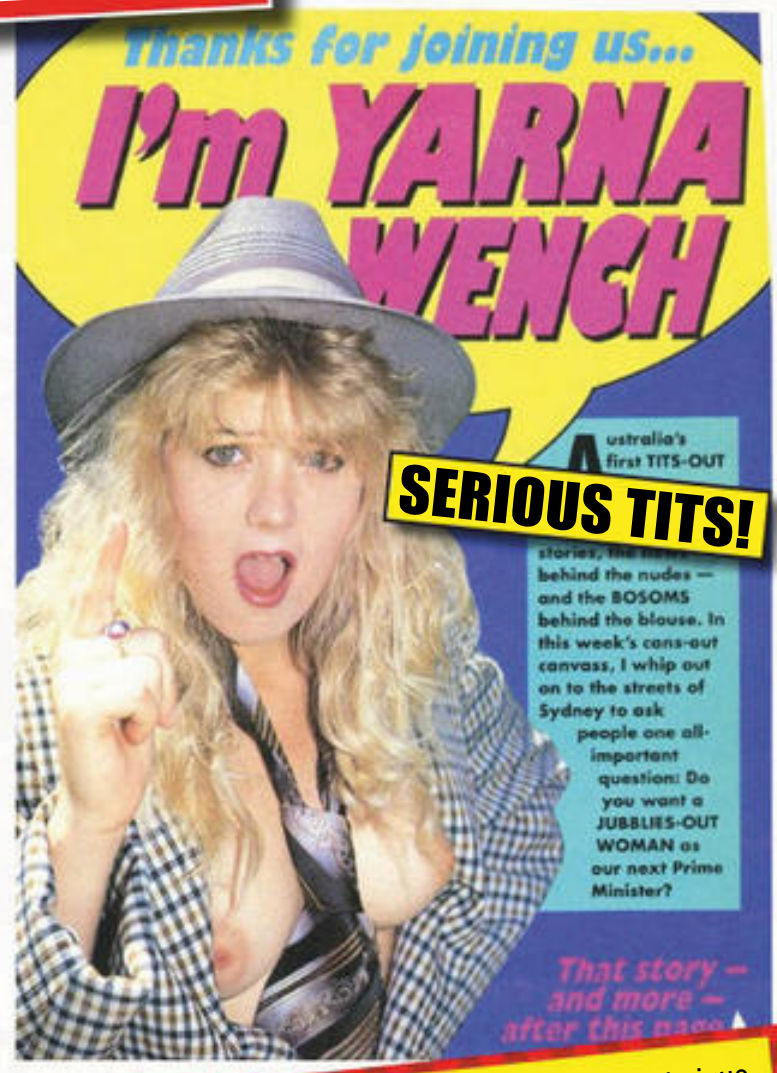

We changed journalism forever in #180 when we hired Yarna Wench, the world's first TITS-OUT REPORTERER. Her fearless – and BRAINLESS – reportage, accompanied by her irrepressibly perky tits, became the standard by which all other crap, tits-out reportering would be forever judged.

After years of covering stories on nude skydiving, nude skiing and nude EVERYTHING FUCKEN ELSE, she hung up her norks.

The search for her replacement ended when Kylie the 'Prentice wandered in off the bus from Yorkey's Knob and started filing yarns on how to be a lesbian (#376), nude bungee-jumping (#385) and how to shave a smoo (#392).

Alas, she soon moved on and Spunky Nude Sheila Man stepped up in #533. We loved her as much as her contract allowed. Then she got pregnant and fucked off, but not before we shot **her for a PICTURE PREGGO PIN-UP.**

OUR HUGE STUFF-UPS!

PICTURE FACT! Our world-famous technique of printing some words in CAPITALS actually began as an accident, when a hung-over journalist with the hiccups couldn't keep his trembling fingers off the CAPS LOCK key. Today, all capped words are chosen by a computer called "Hal".

PICTURE hasn't always been a journal of record to rival *The New York Times*. There have been rare occasions when we've got it wrong. Screwed the pooch. FUCKED IT RIGHT UP.

For example, in #4 we dropped the covergirl and ran a photo of a PLANE CRASH instead. We think someone bought a copy. And we waited a WHOLE WEEK before our next cluster fuck: running a pin-up with her ARM IN PLASTER.

But that paled in comparison to what happened when we inadvertently offended some members of two motorcycle clubs in #108 with a light-hearted but THOROUGHLY INCORRECT story on a Townsville biker beano. They visited then-editor Tony Murphy in his Sydney office to point out the error of THE PICTURE's ways. He saw their point immediately and his snivelling apology ran in #115. Blokes, if you're reading this, we're STILL SORRY.

And don't even ask us what we were thinking when we ran an OBESE BLACK WOMAN SURFING on the cover of #169.

Then, in the late '90s, two instalments of our champion cartoon Coogan the Cockless Detective were banned from publication by our legal department, who advised us to BURN THEM and SCATTER THE ASHES AT SEA. One was about Ricky Ponting, one was about Ray Martin. And that's all we can tell you without going to jail.

Jo Guest

THE PICTURE became a global force in nudity when we imported Pommy megaspunk Jo Guest to Australia to do a series of photo shoots in 1995... and to pose for photos with staff members so we could show off to our mates and PRETEND WE'D ROOTED HER.

As we've mentioned just a few pages ago, one lucky reader won a date with the gorgeous Jo, who also did a two-girl shoot with PICTURE favourite Yarna Wench, answered readers' letters and went drinking with staff members once or twice.

She liked her visit Down Under so much SHE NEVER CAME BACK.

And as we UNCOVERED in #949, we were stoked to bring you the news that Jo has made $25 million out of getting her baps and smoo out. We like to think we're a tiny part of that success... and that she'll put us in her will.

PICTURE FACT! Altogether, THE PICTURE has sold more copies than either *The Da Vinci Code* or *Pride and Prejudice*. To begin nudging The Holy Bible, however, the good book would have to stop selling immediately, and then we'd catch up to it sometime around issue #6556.

MAG-NIFICENT!

Dave had to add another wing to his house to fit 'em all in

PICTURE FACT! In 1989, THE PICTURE was responsible for breaking the WORLD EXCLUSIVE story "MAN FALLS DOWN" (#64), about a man who'd tripped over a crack in a concrete Sydney footpath. This was followed the next issue by another WORLD SCOOP headlined "BUS LATE".

THE LAS

PAT SHEIL
(AKA TUBS GROGAN)
EDITOR 1989

MY ABIDING memory of being Tubs Grogan, Editor-At-Large of THE PICTURE, was entering the lift on the anarchic 7th floor of 54 Park Street some time in about 1992, with a stripper, wearing a pair of denim shorts that I could easily have folded and put into my wallet, and a see-through top that covered at most 5 percent of her generously proportioned chest area, while I was dressed as Tubs (Press hat, jacket stinking of stale beer, yellow tie covered in sauce and mustard stains, etc), carrying a giant plastic squid tentacle over my shoulder and full-sized stuffed goat under my arm, and pressing "Ground" in the hope of meeting our snappa, the late, lamented genius of the medium, Dave Morgan, in the foyer with a minimum of fuss.

The lights flashed as we descended.

6. 5. 4....

We'd got past the women's mags (who detested us) without anyone getting in.

Then 3.

The lift stops.

Mahogany Row.

One bloke gets in.

Kerry Packer.

The stripper – who was in the middle of a serious amphetamine bender – screams at the sight of him, and then shrieks "When am I gunna get paid? Me boyfriend's fuggen' freaking out, dead set!"

I say nothing.

Packer looks her up and down, then looks at me.

"Who the fuck are you?" he growls.

"Tubs Grogan, Mr Packer. Picture Magazine."

KP pauses. Nods, the lift doors open, and the foyer is before us.

He looks me in the eye, and says...

"Carry on".

BORIS MIHAILOVIC
EDITOR 2003-2005

"JUST two years."

"No."

"Oh come on. Two little years. The time will fly by."

"No."

"Don't be a fucking bitch."

This was the conversation I had with Phil, the publisher, when he was looking for a new editor for THE PICTURE.

So rather than having him think I was a fucking bitch, I agreed.

I really would have agreed anyway. It was an honour to be asked. But if you just open your legs after the first tequila, people will think you're a slut. You always wait for the third tequila before you open your legs.

I had always loved THE PICTURE, and I had worked on it as a sub-editor before being given Picture Premium to edit. But THE PICTURE was always the flagship, or maybe the pirate ship. Yeah, that's it. It was the pirate ship

jammed with the most talented writers and artists, the filthiest drug-addicts, and the most terrifying alcoholics, most of whom were all three at once, and at work.

It was the greatest and terrible-est two years of my life. I loved it. It made me crazy. There were times I wanted to cull the staff with an axe. There were times when I wanted to stroke their fur like cats and make them purr. Most of the time I just wanted them to hit the cruel deadlines.

It is sad when an institution like THE PICTURE finally folds. But since most of us who'd worked there in the last ten years or so had a vague understanding of the world, we knew it was also inevitable. So we had been preparing for the end... um, by cooking gak in our bathtubs and stockpiling guns. As you do when you know the end is coming.

And now it is here.

BRAD BOXALL
EDITOR 1992-1997

WORKING on THE PICTURE in the '90s was the most fun you could ever have with your clothes on.

Former editors give THE PICTURE a 24-carat send off

ASHLEY GRAY

EDITOR 2005-2007

ICING a Hungarian porn starlet's nipples at an arms trader's mansion on the banks of the Danube; marrying a sheep at a farmstead in Goulburn (she had a lovely personality) - yep, there were many perks to being editor. But the biggest thrill (other than having a section of the crowd chant the name of my Picture alter ego Dudley le Brock at a Cronulla Sharks game) was meeting you, the champion readers. Whether it was a Smoko Spunk, Beer Fairy, Farking Inspector or grand final barbecue, you always tilted against type, treating our brave and beautiful naked ladies with almost fatherly respect and reverence. Keep on tilting, guys.

SHAYNE BUGDEN

EDITOR 2008-2014

SO THERE I am, in my second week of working at Australia's crappest magazine. I'm on my Pat Malone, writing a world-beating Home Blokes yarn when an alarm clock starts blaring and I jump out of my chair like I've just sat on a hypodermic needle full of arse flu.

There's a rustle of clothing and a tortured grunt before, to my disbelief and distress, one of THE PICTURE's finest writers - a man who would go on to win a Walkley Award, Australia's highest honour for a reporter - staggered to his feet, completely off his tits after a 12-hour stint on the piss and Christ knows how many chemicals. He'd been too faceless to find his way home and had crashed out under his desk like he'd been shot by a sniper.

'Oh, hey,' he goes. 'What are you doing here on the weekend?'

It was 8am on a fucken Tuesday.

And that's when THE PICTURE's rigorous commitment to quality, well-researched journalism hit me between the eyes like a ping-pong ball in a Bangkok bar. This man was charged with writing stories about blokes embarking on monstrous grog and drug binges and by God, he was going to make sure he knew his stuff inside out, no matter the cost to his health and family life.

You could see that commitment on every page of the old girl. Writing a story about tits? To the strip club! Checking a yarn about roving reporter Bob Gelding getting bent on cleaning products? Snort a bottle of Windex for reference! Deciding whether a reader's My Worst Fuck yarn makes the cut? Give it the old 'wank in the work dunny' test!

For twelve years I stood in amazement at the personal sacrifice PICTURE staff made each and every day in their relentless pursuit of excellence (and bail money). They transformed a magazine into a bazooka, loaded it with pics of norks and nunga, 24-carat Aussie slang and writing so sharp it'd cut glass, and they trained that bazooka on wowsers everywhere.

And now, just like that, it's over.

Thanks to a weapons-grade bunch of mouth-breathing pelicans who think they have the right to tell people what they can and can't see, the lucky country's crappest magazine is no more.

In a couple of weeks from now I, like you, will have to stop myself from habitually going into a newso/convenience store/truck stop to pick up a copy, and the anger at our loss will make me quake with rage.

Then, a bottle or two of Windex later, I'll get some perspective on the situation and realise it's not how the mag finished that counts, it's what it stood for: life, liberty and the pursuit of a wank and a laugh.

Fuck, it was fun.

MAKE IT A DOUBLE!

"I'M A VERY SEXUAL PERSON"

-Staci

THE FINAL issue of THE PICTURE wouldn't be complete without a pair of blonde MUFF-DIVING STUNNAS who between them have caused more stiffies than rigor mortis.

So as a farewell pressie we give you Staci Carr, 27, and Niki Lee Young, 34, a pair of professional MATTRESS ACTRESSES hailing from the USA and well-known for their lezzo antics.

"I've always loved females," gushed Staci. "Even my Barbies were gay when I was young!"

Staci
Niki

"Girl-girl encounters have been my best sex so far!" exclaimed Niki. "It's something about the way a girl knows how to eat my pussy."

What else gets your FROTHING at the gash?

Staci: "I find everything sexy; I'm a very sexual person. With a female, I like a very feminine woman and with a male, I like him to be macho."

Niki: "I like eating arse. Guys, girls... it's all good as long as I can work my tongue up a tight arse pipe."

You sound like a plumber, Niki. What do you enjoy about TOSSING SALAD?

Niki: "People think it's gross, but it's not so bad. It's the core scent of a person and that is erotic. It's a very intimate experience."

"I LIKE EATING ARSE"
-Niki

NIKI & STACI

How often do you JILL OFF?

Staci: "Every time after a boy/girl scene I go home and masturbate after having cum so many times. I'm shaking and I still get home and I have to do it one last time for that last little cherry on top."

Are you a toys or hands girl?

Staci: "Definitely my hands. If you watch me masturbate, I'm told no one else masturbates the way I do."

Niki: "I use my Hitachi – it's the best sex toy ever! But I also love to use my glass toys to get off as well."

MY LAST FUCK

READER'S ROOTS FROM AROUND OZ

OUT WITH A BANG!

MY HUBBY Greg joined the army last year after the dumb arse got the sack from his job at Bunnings. After months of moaning and groaning about training, he was finally scheduled for deployment in Afghanistan, so I decided to give him a little treat before he left.

We got hitched four years ago and Greg's always said how he'd love a threesome, so what better time to do it than before being sent away to potentially be blown up by terrorist bastards?

A quick call to an escorting service and Kelly, a brunette with F-cup natural tits, was due at our place at 8pm that night.

At quarter to eight, I decided to get Greg warmed up. He was on the couch watching The Amazing Race when I crawled over to him and pulled down his trackies, filling my mouth with his limp wang, which, after a few minutes of aggressive sucking, had transformed into a raging monster ready for war. I could tell he wanted to fuck me, but I had to hold off until Kelly arrived, so I slowed down and began tickling his balls until the doorbell went.

I quickly shot up and went to answer it. I'd already given Kelly the low-down and she confidently strutted in, unzipping her dress as she walked, her massive norks flopping free.

Greg's tongue hit the ground and he looked anxiously at me; I gave him a wink to let him know it was all good and pulled off my clothes, joining Kelly in giving him a long, wet blowjob.

After our jaws were hurting and we had slobber down our faces, Kelly stood up and bent over, revealing her pretty pink smoo. I stood behind Greg with my hands on his waist and guided him gently into her snatch, controlling the tempo and rhythm of his fucking.

Our hour-long fuck fest went by faster than a beer at knock off and finished with Greg shooting his splooge over Kelly's massive mams.

Greg fucked off after he got back from Afghanistan and I've been rooting Kelly ever since.

CARA, COLLAROY, NSW

FAREWELL FURGLE

I'VE spent the last seven years hearing from everyone that blokes are the sole cause of all the world's problems, from climate change to stubbing your toe, so I decided to get the snip and become a sheila. But first, I wanted one last Donald Duck.

I chucked on my favourite shirt and the jeans without the holes and hit up my local pub on a Friday night. After a few coldies and a quick line in the toilet I set my eyes on my final ever root as a man.

She was a tall, cute chick with black hair, pale skin, B-cup tits, a few tattoos, wearing tight jeans and an AC/DC shirt. I strolled over and began to chat, her name was Seline, and she was all over me like a fly on Christmas lunch. As soon as I told her what I planned to do and that I wanted her to be my farewell fuck, she took me by the hand and we walked straight out of there.

Back at my place, I poured us both a glass of my finest Aldi red wine and after a few we were ready to go. I pulled off her shirt and immediately began sucking Seline's cute perky breasts and stiff nipples. She shimmied her hand underneath my pants and grabbed my doomed donger, stroking it until it was hard enough to hammer nails.

I pulled her jeans off and she swung her leg over me, sliding her hairy moot onto my brazen baby-maker, gyrating her hips and rubbing her clit on the base of my cock.

She let out a squeal and a crazy look flashed across her face and she stared me straight in the eyes, "I'm gunna get every last drop," she snarled and hopped off, taking my shlong in her hand and wanking it vigorously.

I moaned in pain and ecstasy as she milked my todger of all its gonad goop until I was a withered shell of a man.

"I hope this makes you regret your decision," she said as I lay defeated on the couch.

But as much as I love and will miss my beloved tockley, there are some things a man has to do, and this is one of them.

PETER, SUBIACO, WA

WHAT AN END

I'D BEEN in and out of hospital for the last few years and I was getting pretty fucken sick of fighting it. So, when I got shifted to the hospice, I was actually relieved.

But there was one more thing I had to do.

I called my mate, Russ. Everybody has a mate like Russ – he's what you'd call a "buysexual". The bloke spends more time in brothels than in his own bed.

And Russ, God bless the rich prick, said he'd shout me.

Cassandra snuck in after visiting hours. She was a Brazilian goddess. Blondey-brown hair, caramel skin, beaut perky tits, and – PRAISE RUSS – a massive bubble-butt.

I asked Cassandra how much anal and a facial would be. She said $1000 extra. I told her it sounded like a bargain.

We had to keep it quiet, so she started with a silent strip tease, rumba-ing clothes off slowly. My cock was showing more signs of life than the rest of me.

She put all her skills into giving me a gobby that almost had me shooting my wad way too early. The woman had skills.

Next she got on top of me in the cowgirl position. I grabbed onto her norks as she rode up and down on my shaft. Her moist cunt felt so good, it almost took the bastard pain away.

She expertly rotated into the reverse cowgirl possie. I watched as her arsehole slowly took my tocko in. I smacked her on the arse and she started smashing into my emaciated groin.

By the time Cass had hammered my pelvis into a fine dust, my taddies were knocking ferociously at the dam wall.

Sensing the imminent blast, Cass hopped off my cock, put her arse in my face and copped the OIL OF GOOLAY all over her bonce.

As I lay there, staring into her beautiful dark balloon-knot, I realised I had one more request.

"How much to smother me to DEATH with your arsehole?" I asked.

She thought about it for a while, then came up with a figure of $10,000. I said it was worth it.

As her round mounds eclipsed the last light my eyes would ever see like an eclipse, I felt a wave of generosity come over me.

"Make it 20," I said.

After all, Russ was paying.

GOING OUT WITH A BANG!

Since starting in 1990, Home Girls has featured the cream of Aussie next-door womanhood – your girlfriend, your mate's sister, that cute cousin you only ever see at Chrissie, and, after nearly 30 years, quite possibly your MUM. How many thousands of average Australian babes appeared? Who knows, but chances are next time you go to the pub, a fair few of the cuties slurping Midori and eyeing you up are former PICTURE Homies. It's a nice feeling, isn't it?

4 Jacinta: BOLEYDOON, VIC

At the age of 33, Jacinta has four kids, and is very proud of the way her body still looks. Her pics were taken by her nine-year-old daughter as a surprise for Mum's boyfriend. "How do you feel about making Home Girls?" "It's unusual... I'm really nervous about who's gonna read it." Do you have any ambitions? "Ever since I was little, I've wanted to drive big rigs. I'm taking truck driving lessons now." Why do trucks excite you? "It's a challenge. Not many ladies do it, but mainly it's the sound and the way they look."

5 Olga: ST MARYS, SA

"Oh God, I'm shaking! At 31 years, it's taken me for my hubby to convince me to be a Homie. This is really scary!" Do any of your mates read the mag? "Yeah, I'm involved in local rugby and everyone'll see it." Great! Let's unravel some juicy stuff then. Like, where was your most unusual screw...or, scoop? "In a boat on rough seas. — I didn't know whether it was me or the boat rocking." Who would you like to see naked on your bed? "Are you gonna print this?" Er, "Ewa Hutchie."

6 Mona Lisa: SUSSURT, VIC

Great tatts, mate! "Thanks. I really like the one on my stomach." Can you tell us a bit about yourself? "I'm a life model and picture framer. I collect tattoos and gigs, enjoy travelling and walking and never say no to a good book (actually all for murder mysteries). One thing I like most about myself is my adaptability." Does standing nude in front of artists turn you on? "Nah, I'm an egalo." Ha!? "In short, I'm just an object to draw. Besides, I'm the only person who can turn me on — it comes from within."

7 Sonya: WOLLAND, WA

Sonya, 24, is right into Cowgirl, typing but Cowgirl boardies, her kids, Nine Distortion and slapping onto black lingerie for her hubby. A mother of three-nuggins, she went on her get-after-a-divorce from her mum and to boozy Uni ago. Where's the sexiest place you've ever had sex? "At a train station. I was a bit pissed at the time."

8 Heana: BRISBANE, QLD

Eighteen-year-old Heana's into fishing, eating Chinese, shopping and fantasising about the Wiggles from Blue South. She wouldn't mind "researching" Sam, eh? What's particular gets your screaming? "I like them all." Where's the weirdest place you've ever banged-ogled? "In a friend's car." While wild not have used a good sense of humour, Heana recently had all her clothes burnt by a crazy friend, which might explain why she's on this page wearing only her skivvy.

9 Paris: WELLINGTON, NZ

What do females have over men, Paris? "We don't have dangling willies getting in the way, and we look better naked." Who have you got car number plates which read 'SUNDT' — what kinda reaction do they get? "I don't have them on at the moment, 'cos they're not allowed on my work car. I did own a Fiat Barchetta painted with whale [illegible] which decorated its bonnet. I would you like to swap [illegible] I quite fancy her.

HOMIE OF THE WEEK

Chloe:

ADELAIDE, SA

From Mel Gibson to that Zvlolove thing off *Magic Roundabout*, Scottish people have always been beaut. And 22-year-old Chloe is no freakin' exception. This highland honeybag has been out in God's meat KHAKI country for eight SEXY months now – temping in some fucking office and PULLING beers in a pretty Irish pub. But sadly she's not been rooting anyone.

"I left an Irish boyfriend back in the UK," she lifted down the blower, "and I've stayed faithful to him. I don't think any man's worth risking it over." *Not even our bronzed Aussie SEX SWINE?* "I never said I wasn't tempted! I actually find the Australians a very attractive people." *Has eight months without a PORTION made you all toey?* "God, yes! I'd take matters into my own hands but that's rather difficult when you're staying in youth hostels. So I'm just going to have to wait until I meet my fella in Thailand. Then it's off to a nice white sandy beach and goodnight!" *Bouncy bouncy!*

Kim:

CENTRAL COAST, NSW

This 25-year-old honeybag spends all day handling nuts – and she couldn't be happier. "I'm a process worker at Sanitarium," Kim bubbled chirpily. "I pack nuts. All different kinds of nuts." *What are your favourite nuts?* "My boyfriend's! I have to say that – if I don't and he reads this I could get in shit!" That's the spirit. *You going to marry this clown?* "If he keeps his socks pulled up, *maybe*."

Socks, eh? *Does he root you good?* "Yeah, our sex life is excellent. It's nice to have great sex on tap. After all, it's good, cheap, healthy entertainment." *Just like an Adam Sandler movie. Except not as shit and gay.* "And my bloke is really good at oral. He'll go down for hours and he's very skilled." Um....eep. "But I reckon we need more mirrors in our house. We like to watch ourselves fucking. We put on quite a performance for ourselves – and I love seeing my bloke's face at the point of climax." *We look like Popeye when we spoof.*

Tying people up can be fun, too. I love to tease." *Tell us something raunchy you've done recently...* "I did it with my then-boyfriend on the stairs on the third floor of the Empire Hotel. It was during the week when it was closed off. It was pretty wild."

2004

JAMIE:

PINE CREEK, NT

Bisticular 40-year-old Jamie is married, works as a nurse and has some interesting hobbies: "I like scuba diving, horse riding and swinging." *We've been banned from our local swings. What do you get up to when you're swinging?* "It could just be a barbecue or at someone's house and we do whatever we want, no holds barred. But I don't play unless my hubby plays and the same goes for him." *Sweet as! Got any sexual talents you want to share?* "According to my husband, when I come I spray it across the room." *Female opposite...BEAUT! How do you best like to be pleased?* "The quickest and easiest way would be playing with my clit. But I quite like sitting in a spa, watching some porn and having a bottle of champagne."

CAMILLE:

PERTH, WA

An events manager, 30-year-old Camille keeps herself looking so rootable by doing marathon training and having a glass of red. Luckily for all you fellas, Camille is single and likes a man who can entertain her, buy her a nice meal and glass of plonk: "Good wine is a great way to get me in the mood. There have been a few times I've ducked down an alleyway after a nice meal." *How would a bloke pick you up?* "By having a strong personality and making me laugh. I love the man to be in control sexually, maybe ...ing me up against the wall the second ...in the door." *How do you like to take ...Me on top – that way I can see ...nd he can see me."* If you want ...le in bed, she reckons goin' ...it every time.

SOPHIE:

PERTH, WA

Sophie's studying accounting and told us her favourite hobbies are "horse riding and shopping – but doesn't every girl like that?" *What's with the baseball bat?* "The photographer said it'd be a good prop, but I did play when I was younger." *What do you like best about your body?* "My breasts – they're 10D." *They're mighty fine. How would a bite get you and your chest puppies panting for more?* "A nice kiss, but I'm usually in the mood for sex. I like to have it at least once a day." *Where's the wackiest place you've had your nunga ploughed?* "In the kitchen. It wasn't the best, though, as the benches were really hard." When 23-year-old Sophie isn't rockn' and beaut, she likes to relax by having a few drinks with friends.

HOMIE OF THE WEEK

2005

FRANCESCA

Mermaid Beach, Qld

SADLY, there's not much time left in Oz for this rentable 18-year-old Pom [illegible] as last ...ecruitment in #85! 'cos she heads ...home in August. Sigh. "I desperately want to stay in Australia," she cried. "The lifestyle is more relaxed, it's warmer, cheaper and there's much more to do than in England. One day I might come back to live." Toad'd be a BEAUT COUP for Aussie blokes! "The guys here are fantastic. I love their attitude and the way they're always up for a laugh. Compared to them, English boys are cocks!" *How do we go in the CHONKING DEPARTMENT?* "Australian guys are good – I've been getting sex about once a week." *What gets you frothing at the mouth?* "Do me doggie-style, or play with my clit – a couple of minutes of that and I'll be coming." ANGELA WHITE

Angela White's journey to be the #1 PORN STAR on the PLANET started in Home Girls way back in 2003. And we could tell she was destined for greatness: "I'll tell you what gets me going – posing nude," she told us. "All the turned on faces you see in these shots are genuine."

HOMIES MADE GOOD!

KIKI VIDIS

We liked the look of Kiki the first time we clapped eyes on her in 2007 when she appeared as a Homie of the Week. She kicked on to become a massive porn star and columnist. “I’m going to miss appearing in the magazine so much,” she sighed. “What’s Australia going to do without boobs?” A bloody good question.

GO HARD! GO HOMIES!

Romana

"I've been boxing for three years," explained ROOTABLE Romana. ***Has it helped you in the street?*** "Yeah, I punched out a girl a little while back. She'd been pissing me off for ages and one night I just had enough and I decked her." ***Have you seen her since?*** "No, and I'm glad. She was an obnoxious bitch." It sounds as though this 26-year-old personal assistant is feisty in the sack, too: "I'm naturally horny all the time, and if I wasn't single I'd be doing it two or three times a day." ***Can you deliver a knockout BLOW?*** "No, I hate giving oral. I'd rather get it."

Question of the Week: "It's funny you should ask because I'm not wearing any right now!"

"I'm naturally horny all the time"

2008

Kristy

Cracking Kristy, 20, works as a painter. ***How's that going?*** "I love it. It's good getting all dirty and working with men. They're funny and it's always a lot of fun." ***Do other tradies try to crack onto you?*** "Yeah, every now and then. I once had a quickie on the job, too. We ducked into a cupboard and it was good." Kristy likes the straightforward approach when it comes to meeting blokes: "If you wanna sleep with me, just come up and ask if I wanna fuck. It's the best way." ***And it saves us buying you fuckloads of drinks. Was it good getting naked in the bush?*** "It was fun till the sticks started scratching me."

Question of the Week: "I'm not wearing any right now."

"Just come up and ask if I wanna fuck"

BELLA // 19

DARWIN, NT

"Don't even think about grabbing Bella on the arse if you see her at a nightclub: "A bloke tried that once and I broke his jaw," the 19-year-old snarled. "I'm very happy with my partner and I'm not interested in anyone else. But guys won't leave me alone because they like my boobs so much." ***Does he tend to your LADY GARDEN on a regular basis?*** "Yeah, we're at it all day, every day."

2009

MOMO // 21

SYDNEY, NSW

The only thing this Japanese student likes more than watching Godzilla films is NOT WATCHING THEM because she's too busy sucking off blokes. "Yes, I went down on a guy in a cinema once and missed the end of the movie," the 21-year-old tittered. ***We bet that's not the naughtiest stunt you've pulled.*** "No, it isn't. I had a crush on one of my university lecturers so, after class one day, I walked straight up and demanded he make love to me. We did it in the middle of the lecture theatre and it wasn't until afterwards that I found out he was married."

AMY // 21

BRISBANE, QLD

2010

"I'm always getting complimented on my lovely arse, and my favourite sex position is reverse cowgirl because it lets me show it off," jiggled this 21-year-old Brisbane chef. ***Are you getting stabbed with the MEAT JAVELIN much these days?*** "All the time! I'm a country girl and like having sex out in the fields or under the stars. I don't even care if animals wander up to watch." ***What's your ultimate FILTHY FANTASY?*** "I'd like to have sex with a handsome dwarf. I'm really short so it would be my first opportunity to be in control and tell the little guy what to do." ***We hear Gary Coleman's single these days. Where should Pauline Hanson emigrate to?*** "She should come over to my place for group sex with me, my boyfriend, a midget and a robot." ***She'll bring the fish 'n' chips.***

I was always jealous of her because I didn't have any." ***You seem to have found some since then.*** **Lexi:** "I would say that Laura has a better bum than me. I love my boobies. But I love her boobies, too. And her curvy body." ***Did you end up having sisterly fights? With pillows? In your undies?*** **Amber:** "We did a bit, but we always made up." ***We can sorta tell from the photos.***

I have no problem having a girlfriend over for the night." ***Any group lovin' in your past?*** "I've had sex with more than one person at a time. Even if you're in a relationship and love that person, there's no reason not to have a good time." ***Do you watch porn?*** "Sometimes – rarely, though." ***Yeah, erm, us too.***

AMBRA // 23

DARWIN, NT

Sweden sure send some first rate spunks our way. Bisexual 23-year-old Ambra is a prime example. "Women are just amazing in general, and my sexual experiences with women have been pretty game-changing. I've been stunned." ***What do the girls do so well?*** "Usually it takes ages for me to come through oral. With the women I've been with: No more than seven minutes."

"I dream about becoming famous and having heaps of sex with my groupies. I'll be on stage and pick out a guy or girl to sleep with after the show, and they'll be so stoked to get a crack at me." ***Who wouldn't! What sorta blokes and blokettes are you into?*** "I'm into manly men and feminine women. I don't date chicks, though, because they're crazy." ***Don't say that, Luna Trash!***

"By night the clothes come off and I am a naked waitress for Perth parties." ***So you didn't mind getting your kit off for us?*** "It feels awesome to know that I'm sexy enough to go alongside all the other bombshells PICTURE publishes. It's very flattering and exciting." ***Who normally gets your kit off – guys or girls?*** "Regardless of gender, I always want something I can't get. I suggested that she do a shoot with me but she reckons that her body isn't anything like mine and she'd need work done. I told her if you took her head and my head off in a picture, no-one would know the difference. She eventually caved in." ***Mia, how do you keep so hot?*** **Mia:** "I work my arse off in our home gym, which was used for this shoot."

HOMIES MADE GOOD!

SCARLETT MORGAN

We got swamped with requests when we ran photos of this stunning goth with amazing CHEST PUPPETS back in 2007. From there Scarlett has gone on to have multiple covers and cement herself as one of the most popular strippers in Oz. And no, we CAN'T give out her NUMBER, ADDRESS or UNDIES.

2015

HARLEY // 23

SYDNEY, NSW

When you're on the road from your native home, like 23-year-old beaut Brit Harley here, it pays to keep a lightweight backpack. And what better way to keep the luggage down than chucking out useless bikini tops. "I'm sunbathing topless on the beach right now, actually. I hate tan lines, so the smaller the bikini, the better. I'm not missing much about home. I love the hot weather and the lush beaches, especially because it's freezing back home. I'm hoping to do some skinny-dipping when I travel up to the Gold Coast next month." ***We hope so, too!***

SKY // 23

BRIGHTON, VIC

Breastically gifted lingerie sales assistant Sky, 23, has tips for blokes' next trip to get the missus some new lingerie. "A cup size that is not a grope measure is always a good place to start. You can always find this on the tag on her existing bras." ***Does working in a booby environment lead to antics?*** "Does having a threesome with a sex shop attendant my partner and I picked up on her penthouse roof count?"

CHARLOTTE STAR

Aussie porn star Charlotte Star got her first gig in Home Girls back in 2014. A few years later we interviewed her for a cover and had completely forgotten that we'd seen her before! "I'm happy to be back," she laughed. "This is so much fun." What a 24-carat champion.

CANDY // 25

NOOSA, QLD

"My fondest sexual encounter is probably being eaten out for the first time by my best friend," recalls 25-year-old Candy "Back then I was only majorly interested in girls because they have the gentle touch and know where the spot is." ***Have you since moved on to solids?*** "Now I have started to enjoy both male and female company." ***What surprised you the first time you ate some pussy?*** "How good it tastes and how sweet it smelled." ***Are guys or girls better at eating you out?*** "Depends on the person, but I would say, if experienced, definitely girls."

2017

ZENA // 26

BRISBANE, QLD

"My ultimate sexual fantasy is either to be tied down on a bed with a man rubbing his huge, throbbing dick all over my face, tits and pussy, or to have a dirty threesome with two hot, wet chicks with delicious tits," says 26-year-old Zena. ***Have you put your threesome desires into action?*** "I have had SO many threesomes. My favourite one was with my girlfriend at the time, we stayed at some guy's house for three days just eating pussies and sucking his dick. I remember one time we were in a threesome position when he was eating me, and she was sucking him and I was eating her. I ended up squirting all over this guy."

CAPRICE HUNTER // 25

NORWOOD, SA

We asked 25-year-old Caprice what she looks for in porn. "My favourite kind of porn is the one with old/young combos. I love older men." ***Have you filmed yourself fucking an older guy?*** "I have made many films. Of course, there are few oldies in there… probably on VHS." ***Surely you need to digitise them.*** "I will get to that – I will just film some more." ***Yeah, or that.***
